

These are part of the same 170 nations that voted to ban fluorinated gas refrigerants just as the Du Pont family's patent on them was about to expire. Then, in 2016 these same "nations" voted to ban their replacement HFCs again just as the Du Pont patent on them was about to expire.

What all this shows is that these so-called nations are headed by individuals who have been bribed with Swiss bank accounts and threatened with death if they do not follow orders from the KM.

The vote against Nazis caught the KM off guard and so they jerked the chains of these so-called leaders. However, what is now happening is that the slave masters of these slaves voting at the UN are being systematically hunted down and brought to justice.

The real situation can be seen by looking at the lists of nations that support sanctions against Russia versus those who do not. The Middle East, India, most of Asia, South America, Africa etc, are not supporting the isolation of Russia. Basically, if you take the world population to be 8 billion, you see 7 billion supporting Russia and one billion still going along with the KM.

Even those one billion still under KM control are also in open revolt against their Satanic overlords.

That is because the Chinese foreign ministry and the Russian foreign ministry have sent proof to the military and intelligence agencies of the planet that the KM and their so-called Biden regime in the US have set up 336 biological weapons laboratories around the world and have been releasing deadly pathogens in an attempt to murder most of humanity. This is not a so-called "conspiracy" blog we are talking about, it is the government of China speaking in public and on the record.

The Russian GRU (their equivalent of the Pentagon command) sent the White Dragon Society documents showing exactly how the KM operates. They say that when the Rockefeller family, Rothschild Family and World Jewish Congress succeeded in overthrowing the Christian Russian Tsar, they began to artificially create the nation now known as Ukraine. They systematically tortured to death all Russian intelligentsia and leaders in the region. They also engineered a starvation crisis that killed at least 3 million people in order to force the rest of the population into submission. This was accompanied by creating a bastardized version of Russian they started to call the "Ukrainian language." The leadership of the region was then put in the hands of the Chabad cult. These cultists want to kill 90% of humanity and enslave the rest.

The Russians say the Rockefeller Foundation, the Bill Gates Foundation, the C Adenauer Foundation and The World Jewish Congress financed the 2014 Nazi/Chabad coup in Ukraine. They also financed the bioweapons laboratories condemned by China.

A Russian envoy said "we found that they were taking blood...to create pathologies that can specifically target certain ethnic groups... they were weaponizing the plague, anthrax, and other lethal pathologies"

The GRU has provided relevant agencies worldwide with a detailed list of names of the actual people behind these atrocities as well as the accompanying toxic vaccine mass murder attempt.

Also, "NATO wanted to unleash a third world war by using nuclear weapons against Russia," said former Prime Minister of Ukraine, Nikolai Azarov

This means the people behind this are now officially designated war criminals who are being hunted down. There is nowhere on this planet, not Switzerland, not Israel, not Antarctica where they can hide. They will not be allowed off planet either, Secret Space Program sources promise. They say this is the culmination of a war that has raged for thousands of years both on and off the planet.

In Japan too, something very unusual and otherworldly happened last week. Just as the White Dragon Society was meeting with a representative of the Japanese Three Legged Crow Society an ancient stone known as the Sessho-Seki or killing stone split in two, supposedly releasing an ancient spirit. When this happened, sacred tablets, bought at the shrine where the stone is located, fell off shelves and walls around the country.

A senior Shinto priestess explains this means

there will be regime change in Japan. “It will appear as a beautiful female and will destroy enemies of Japan,” she said. Whether this event was staged or involved esoteric forces, it is clear the post-war slave regime in Japan is ending, multiple sources in Japan agree.

Asian secret society sources say the distraction in the West caused by the situation in Ukraine led to a “very successful and friendly meeting” between different Asian factions last week. Basically, the KM is finished in Asia as well as worldwide, the sources say.

That is why the KM is now desperately trying to use their Chinese Communist Party servants to wipe out as many Asians as possible. A CIA source in Asia warned “When this Coronavirus is finished, half of the Chinese people in China will have died. Remember how many millions died within days in Wuhan, when they redlined the 5G frequencies as a test,” He forwarded the articles below was said “this is the plan to force test as many of the Chinese citizens, as well as Hong Kong citizens as they can, to take the PCR test several times within a short period. The swab tips contain the same poisons that are in the vax. Imagine taking the PCR swab test 3 times within a short period. The same as being jabbed 3 times. This is how the CCP plans to wipe out half the population unless the truth is released to the masses as soon as possible.”

The KM is also threatening to create a starvation crisis. As Fake US President Joe Biden’s Climate Czar John Kerry warned: “Wait until you see 100 million people for whom the entire food production capacity has collapsed.” Mossad sources say “He is 100% an Avatar. This is not the John Kerry aka Kohn we knew before the alleged bicycle accident 6 years ago in France. Watch the video, he looks like a transhuman. He is a KM satanic cabal member.”

Of course, the white hats in the West are intensifying their offensive against these genocidal monsters. For example, vaccine pusher Anthony “Fauci Is In The Witness Protection Program Now” according to Florida Governor Ron DeSantis. He is providing detailed testimony about his handlers like Bill Gates, Hillary Rockefeller etc. CIA sources say.

Here is some of what is coming out. According to Pfizer’s **BioNTech filing about their mass injections they admit:**

- it’s not a vaccine
- that under ‘gene therapy’ classification they will not be approved
- to the experimental nature of their product
- to the many unknown harms it can cause.

“We are directly over the target...This is Waddesdon Manor in the UK, the largest Rothschild Home in Europe. When evil personified defends your flag... oh boy, that’s not a good thing!” notes a Mossad source. “Have they ever shown the same support for other countries in conflict?” the source asks.

“There’s your answer as to why Ukraine is so important to them; it was their cash cow and a center for bioweapons research,” the source continues.

Other Mossad sources have also come forth to say “The organizers and the funders of American Antifa are the same people driving all the Nazi/Antifa activity in Ukraine for the past decade and a half. It’s time for the world to know.”

The situation has reached the point where even Israel’s government is asking the KM to surrender. Israeli Prime Minister Naftali Bennett “is telling us to surrender and we have no intention of doing that,” a senior Ukrainian official said.

<https://www.axios.com/russia-war-israel-bennett-zelensky-told-to-surrender-d5c53a0b-5940-4b09-85e4-ede244a2f5a1.html>

If they don't want to surrender then they will die, white hat sources promise. That is why **"The avatar Netanyahu tests positive for Covid again. WTF is going on? Maybe this time it's time for a flight to Gitmo?"** as a CIA source notes.

<https://www.haaretz.com/israel-news/former-pm-netanyahu-contracts-coronavirus-1.10663923>

Also after a representative of the Asian Dragon family says they believe Barack Obama, operating out of Hawaii, is heading a KM counter-attack, this was our reply: "Barry has been arrested... whoever it is, Avatar, clone or the original. We are very close to disclosure."

<https://www.theguardian.com/us-news/2022/mar/13/barack-obama-positive-test-covid-19>

NSA sources say the so-called Obama who appeared recently in Hawaii was a desperate attempt by the fake Biden regime to get Asian financing by putting a black-faced puppet up as their front. Nobody was fooled.

We also note the fake Biden regime is now under siege and will not last much longer. We can thank the truckers for that. The truckers represent all the heroes of this pandemic. They are fighting against these idiotic and pointless mandates and want their freedoms back."

Overall, the reason why KM defeat is inevitable is that they do not have the truth on their side. "The Truth," Archbishop Carlo Maria Viganò reminds us, "is the foundation of justice and peace." The truth is also setting us free.
