Codes for the High Profile Political and Global Elites, CEO's, Executives, Billionaires etc.

Self-Quarantined = under house arrest either under federal agent guards or ankle bracelet

Self-Quarantined = CV exposure = detained and being questioned by authorities

Tested Negative for CV = no confession so they are going to trial after worldwide mass arrests. If convicted, their reputation and legacy will be destroyed.

Tested Positive for CV = they confessed and taking a deal. Their execution will be out of the public eye. Execution will be portrayed as a suicide, or some sort of accidental death. Their reputation and legacy will be preserved.
